TRAMPOLINE PARTIES AT CANONS

Tara O'Shea and her friends enjoyed a wonderful trampoline party at Canons in October

For my 10th birthday party I decided to have a trampolining party; I invited 15 of my friends who most of had never been coached on a trampoline before; we had a wonderful day; played lots of fun games and we even got Jan to join in. My friends are still talking about the party and a couple of them want to join the classes next term. I just want to say a huge thanks to Jan & Kelly for such a great day and I would like to highly recommend the party for fun fun fun!!!

Aaliya Rehemtulla also celebrated her birthday with a trampoline party at Canons, followed by a delicious tea party for all her friends afterwards

MONTHLY ACHIEVEMENT AWARDS

The achievement award for **September** goes to **Jamie Horsley**
 Jamie trains at Canons Sports Centre and has worked very hard to improve his behaviour around the trampoline while waiting for his turn. The best thing for Jamie is now receiving praise instead of constantly being told off.

Well done Jamie and keep it up!!

The achievement award for **October** goes to **Beeshman Sivakumaran**
 Beeshman has been trying to qualify for Grade F for ever!! He was unable to compete in the last competition as he had a broken arm and prior to that he narrowly missed out by only 0.2 in two competitions and 0.3 in one competition.

He also judged for the first time this month, which he thoroughly enjoyed.

Well done Beeshman and we hope you won't have so much trouble qualifying for Grade E

Beeshman says *"When I finally got my qualifying scores after trying for a very long time I was extremely relieved and happy and could not stop smiling. I would also like to thank everyone who helped me qualify and I can't wait to learn my new routine!"*

THE NOMINATION FORMS ARE AVAILABLE FOR EVERYONE TO FILL IN DURING THE MONTH TO NOMINATE EITHER YOURSELF OR SOMEONE YOU THINK SHOULD RECEIVE THIS MONTHLY AWARD

COMPETITION RESULTS 16TH OCTOBER

I turned up to my first competition with Tara; little did I know that Jan was desperately looking for help... and somehow I ended up as Computer Recorder for the day.

It actually turned out to be enjoyable and gave me a very informative insight as to how the competition runs.

As well as the day passing quickly I was well looked after, with a free lunch and all the tea I could drink!!
